

## Don E. Stevens Annual Scholarship Application

A unique scholarship for seekers who request financial support to live and work or study in a community or environment that supports the vision on the Beads on One String Mission Statement as noted below:

*Beads-on-One-String\* is a non-profit-corporation dedicated to the exploration of the unity of all life and whose abiding interest is in humanity's common endeavor to understand, experience, and creatively express the Oneness that lies at the heart of all.*

*This search is independent of existing traditions yet actively appreciates and connects people from all religions, backgrounds and cultures, sacred and secular.*

*We intend through education, pilgrimage, film and media, arts, sciences, and companionship to invite opportunities to explore and experience this unity.*

*\*Beads-on-One-String is the term used by Avatar Meher Baba on a visit to England in 1932 and recorded by Pathe News. A version of this message also appears as a forward to His seminal book God Speaks. (New York, 1955 Dodd Mead, 1973, Sufism Reoriented.)*
